

## A Poor Shotgun Handicaps Any Shooter

Either at the trap or in the field.

An Indian Agent in Northern Arizona last month bought a \$57 LEFEVER HAMMERLESS SHOTGUN from us—an ordinary stock gun out of the store. He had a pretty good gun before, one that he had used at the trap for a long time, and as his score was not flattering he concluded the gun was where the trouble was. He has sent us his scores for the past two months, and we have them exhibited in our south show window, so that all skeptics may examine them. Below are the scores:

With the old gun—April 25, 42½ per cent; April 26, 48 1-3 per cent; May 2, 57½ per cent; May 7, 58 per cent; May 9, 47 per cent.

With the new LEFEVER gun, sold by us May 22—June 2, 77 per cent; June 9, 87½ per cent; June 10, 75 per cent; June 11, 90 per cent.

If you want to improve your shooting buy a Lefever.

We are making a special price on LEFEVERS this month. We are wholesale and retail agents for these fine guns for this section, and are in a position to quote lower price than any other house. We make a specialty of fitting guns to our customers, and positively will not sell a gun unless it is absolutely satisfactory.

## THE STORE THAT'S ALWAYS BUSY

Will now live up to its name more than ever. We must have one big rush of business from morning till night. Our prices and good goods will make it. Every article sold is guaranteed to give satisfaction or money refunded. We have a complete new stock of

### Groceries — Coffees and Teas

and the quality is as good as sold by any store in Phoenix.

This "Tommy rot" that some of our competitors are harping on about "poor goods" cost some people a good many dollars each year because they are too blind to find out the difference. But the Cash Store is growing, our customers are increasing every month, and this alone proves that our prices and goods are right. Our terms are spot cash, and we kindly say to you, "never ask us for credit." If you do you will be refused, and that is not pleasant for either of us. The rich man will be refused just as quick as the poor one, so don't ask for credit here. If you want credit, go to a credit store, there are plenty of them.

Here are a few of our choicest, sweetest and ripest plums, waiting for some one to pluck.
